

TECHNICAL INFORMATION

FOR PROFESSIONAL USE ONLY

POLYESTER OVERALL PROBACK COMFORT**PRODUCT DESCRIPTION**

Professional, reusable protective clothing, designed for comfort and effective protection during painting and varnishing. The use of modern materials and a well-thought-out design ensures comfort even in demanding conditions.

**USAGE**

- Polyester protective layer: effectively protects against the permeation of paints and varnishes, protecting clothing under the overall .
- Ventilated back: made of 100% cotton, which guarantees breathability and minimizes the risk of overheating, which is especially useful at high temperatures.
- Special ventilation net under the arms ensure ventilation, increasing the comfort of work for longer periods of time.
- Flexible hood: band around the edge of the hood allows for a perfect fit with a variety of masks and other personal protective equipment.
- Rubber band at the waist and thumb-loop: ensures a precise fit to the body, eliminating the feeling of discomfort and preventing slipping off the sleeve.
- Zipper with lock: prevents uncontrolled opening, ensuring a secure and permanent closure.
- Functional pockets: Front chest pocket and back leg pocket allow you to store tools and accessories needed during work. The overall has side openings that allow quick access to pockets in clothing under the coverall.
